United States Magistrate Judge
U.S. District Court, Western District of Wisconsin
120 North Henry Street
Madison, WI 53703

RE: *Cellectar Biosciences, Inc. v. Weichert et al.*, 21-cv-653 (W.D. Wis.)

Dear Judge Crocker:

In accordance with the Court's August 15 Order (Dkt. 48), we write jointly on behalf of Plaintiff Cellectar Biosciences, Inc., Defendants Jamey Weichert and Anatoly Pinchuk, and proposed Intervenor Wisconsin Alumni Research Foundation to update the Court concerning the parties' efforts to finalize their settlement.

Over the past month, the parties have made a great deal of progress drafting and negotiating long-form agreements that would effectuate the terms of the settlement in principle that had previously been reached. There remain, however, a few final issues the parties need to resolve before the settlement can be consummated.

Accordingly, the parties respectfully request that the Court extend the stay of all proceedings, and that they be permitted to provide the Court with an additional update by no later than September 30 if a Stipulation of Dismissal has not been filed by that date.

We thank the Court for its time and attention to this matter.

Hon. Stephen L. Crocker
